

Oude Molen Eco Village (We prefer interns/volunteers to reside on the eco village for the duration of their involvement, preferably for two months or more at either the two backpacker lodges or the dedicated intern guest accommodation)

Organisation	Explanation - Aims / objectives	Tasks Interns / volunteers can be involved in	Tertiary discipline's / hobbies / interests / skills required
<p>Oude Molen Eco Village Tenant Association (OMEVTA) - Community Based Organisation Contact: Hudson: prodevservices@oudemolencovillage.co.za or https://www.oudemolencovillage.co.za/</p>	<p>The tenants association is responsible for promoting the continued transformation and development of the eco village into a flagship <i>Live, Work, Play</i> urban park. The long term vision includes mixed income residential accommodation, commercial, non profit & recreational enterprises and activities while simultaneously showcasing a new innovative economic model of public land use that embraces responsible custodianship, an emphasis on a "Planet People Profit" approach advocated by Richard Branson's B Team and a social enterprise management model that serves the needs of local communities while contributing socially & economically towards the region</p>	<p>Social media - Face book / Website content to mobilise proactive citizen engagement & involvement and or financial support</p>	<p>Marketing / social media / Public relations / Information technology / Journalism / Photography</p>
		<p>Public pool picnic and braai facilities - Bookings / infrastructure & grounds maintenance / marketing / swimming lessons / life guard responsibilities</p>	<p>Facilities management / engineering / metal or wood work / building management / sports science management / horticulture / handyman skills / youth development</p>
		<p>Oude Molen Eco Village grounds facilities - roads infrastructure & grounds maintenance / gardening beatification and urban improvement</p>	<p>Facilities management / engineering / metal or wood work / building management / handyman skills</p>
		<p>Public relations - Writing articles / interviewing residents, tenants and visitors, promoting the pool braai and picnic area</p>	<p>Marketing / social media / Public relations / Information technology / Journalism / Photography</p>
		<p>Design - Graphic design / digital 3 D rendering of Eco Village for promotional marketing & resource mobilisation purposes</p>	<p>Graphic design / Architecture / engineering</p>
<p>Other enterprises include back packers, equestrian / livery stables, Robin Trust frail care centre, Montessori school, wood metal and craft studios / work shops, sports and jazz foundation. All the commercial, non profit or recreational enterprises provide employment opportunities as well as providing products and services to the greater community</p>		<p>Should an intern or volunteer desire to be involved in any one of the other enterprises on the eco village, the Tenants Association Chairperson Hudson McComb can liaise with the relevant enterprises and explore involvement & potential responsibilities and tasks</p>	<p>Social workers, Occupational Therapists, community workers, teachers, nurses, equestrian management, administration, book keeping and accounting</p>
